

# Elaine AND Wallace

## Ice Spot™

### Instant cooling relief—without water or dangerous chemicals

- Uses NASA technology to offer safe, hassle-free, instant relief (reaches maximum chill in 30 seconds)
- Delivers cooling temperatures up to 40°F below ambient air
- ABS plastic & anodized material
- Ergonomic, easy to hold
- Handle stays warm, cold only goes where you want it
- Whisper-quiet operation
- Lightweight: with batteries installed, device is still under 9 ounces
- Compact: 2.75" w x 8" h x 1.5" d
- Takes 4 "AA" batteries (not included)
